Results through the Power of Experience

Corporate Quality Program Manager

Consumer Products/Industrial Manufacturing Company is looking for:

POSITION: Corporate Quality Program Manager
 LOCATION: Springdale, AR
 SALARY: \$75-85K + 25%
 DEGREE: Preferred
 EXPERIENCE: 5+ Years of Manufacturing Experience including
 RELOCATION: Available
 SKILLS: Food Safety and Quality Program Management; Auditing

The person in this position will ensure that the plant programs for food safety and quality are properly assessing the appropriate attributes and ensuring that the people on the production floor are performing their checks correctly.

The person in this role will also step back and seek to understand if we are performing the right checks to ensure food safety and quality or whether additional/different checks should be implemented. Some refer to this as performing GAP analyses.

The person in this position will become visible to all the key players in Production, QA and Maintenance at each of our plants and at our Office.
